Guinot’s Full Premium Rejuvenating Gift Set is a holiday set with two great products. This set includes the Age Logic Cellulaire, a rejuvenating treatment that helps stimulate tired skin for visible smoothness, and the Time Logic Age Serum, a unique serum that effectively minimizes the signs of aging and fatigue. 212-532-1030, www.guinotusa.com or RR# 123.

Body Therapeutics Collection by HydroPeptide® is a peptide-based anti-aging regimen for the body. This collection consists of a body wash, body scrub, body serum, semi-solid body oil, and an anti-aging body cream. It also comes in a seascape-inspired bikini bag that is convenient for travel and carrying beach essentials. 800-932-9873, www.hydropeptide.com or RR# 280.

CLEAN + BRIGHT by mybody Advanced Probiotic Skincare consists of the CLEAN ROUTINE Probiotic Revitalizing Cleanser and the FUTURE IS BRIGHT Probiotic Anti-Aging Hydrator. The cleanser is a unique brightening cleanser that deeply purifies and revitalizes dull, dry skin. The hydrator replenishes, rehydrates, and refortifies the skin. 877-423-1314, www.mybodyskincare.com or RR# 696.

RA for Men’s Shave Kit aims to not only nourish and rejuvenate the skin, but also revive the lost tradition of the proper shave. The Shave Kit comes with a specialized combination of the Shave Oil Antiox Serum, Shave Gel, Badger Brush, and a shave bowl. 866-313-7546, www.rhondaallison.com or RR# 222.

First Star Powders and Embryolisse Lait-Crème Concentré Gold by Make Up First® consists of bold, non-metallic glitters and pigments for the eyes and a 24-hour miracle cream for the face. 888-828-3937, www.makeupfirst.com or RR# 705.

Nature Pure Labs’ Black Caviar Antioxidant Treatment invigorates, regenerates, and illuminates the skin. Clients can increase cell metabolism and firm and brighten their skin with these products that are enriched with potent concentrations of actives. Ingredients include hippophae berries, herbs, cod liver oil, black caviar, bio-peptides, vitamin C, and alpha hydroxy and kojic acids. 212-699-0933, www.naturepure.com or RR# 291.
Softening Serum by Grateful Body™ Botanical Skin Care has an organic, vegan, gluten-free, and non-GMO formula that is designed to refine coarse, uneven, and blotchy skin. Filled to the brim with a blend of whole plant nutrients, this serum is rich, light, and refreshing while also providing a softer, smoother complexion. 800-600-6806 or www.gratefulbody.com

HydroPeptide’s AquaBoost: Oil-Free Hydrator is a fast-absorbing gel/cream formula that is created with a blend of anti-redness, complexion-clearing, and collagen-supporting peptides. It also has lilac stem cells and watermelon extracts that restore balance and clarity and offers a younger look to even the most blemish-prone and mature skin types. 800-932-9873, www.hydropeptide.com or RR# 280

mybody™ Advanced Probiotic Skincare’s GLOW FORWARD Thermal Probiotic Enzyme Treatment Mask is a two-step, instant-warming treatment that oxygenates, brightens, and clarifies the skin. This mask fuses probiotics and biomimetic, plant-derived enzyme technology to stimulate the skin’s regenerative activities for a noticeably healthy, youthful complexion. 877-423-1314, www.mybodyskincare.com or RR# 696

Exfoliant Facial Scrub by Malibu C® is formulated with almond meal and gently exfoliates only the surface layers of the skin to provide a soft, glowing complexion. This scrub will leave clients feeling refreshed and toned. It is also 100 percent vegan, cruelty-free, made in the United States, and is formulated without gluten, parabens, or sulfates. 800-622-7332 or www.malibuc.com/prof

Recellergy™ by LivOn Laboratories is a line of vitamin supplements specifically designed for skin care. It delivers collagen-boosting and skin-saving nutrients directly to cells using liposomal encapsulation technology. It also transfers vital nutrients into the cells, giving clients firmer, more luminous skin from the inside out. 888-437-6353, www.recellergy.com or RR# 692

Body Lotion NDV by Nelly De Vuyst® is ideal for people prone to stretch marks, dry skin, psoriasis, and eczema. Rich in marine elastin and marine collagen extracts, this velvety lotion envelopes the body in a smooth and silky veil of hydration. Clients will quickly see skin that looks firmer, smoother, and younger. 800-263-8888, www.nellydevuyst.com or RR# 670
