

Lexli®'s Aloe-Based Night Moisturizer is a nourishing, humectant-rich cream formulated to heal damaged skin and calm inflammation while effectively preventing the loss of moisture from skin tissue. It is recommended for nighttime use during warmer seasons and is appropriate for day or night use by those with normal to dry skin in the cooler seasons. 877-893-3417, www.lexli.com or RR# 317

Nature Pure Labs' Stem Cells Youthful Tissue Rejuvenator will revamp and reeducate skin cells to repair themselves. A superior complex of alp rose stem cells and alpha hydroxy acids drastically improve cellular metabolism, which facilitates the repair process of damaged areas and stimulates new tissue production. The formula enables deep penetration of extra-potent, anti-aging concentrations of soy isoflavones, hippophae berries, vitamins A, E, and C, and other organic botanical extracts. 212-699-0933, www.naturepure.com or RR# 291

If your client's skin is thirsty for a powerful detoxifying mask with anti-aging benefits, say hello to their new best friend, mybody's GLOW FORWARD Thermal Probiotic Enzyme Mask. This two-step treatment mask contains both probiotics and exfoliating enzymes that will instantly brighten, refresh, and restore luminosity to the skin. 877-423-1314 or www.lovelybody.com

The Accu-Stick by Nayada USA is the hottest new tool for stick massage, acupressure, and more. Unique and versatile, the Accu-Stick can be used alone, or with its accompanying Accu-Pins for precise deep tissue work. It is made from all-natural, indigenous hardwood, sustainably harvested in North America and handcrafted in the United States. 716-217-0577 or www.nayadausa.com

MedSpa Distributors is the new owner of the Thermal Ball, a massage ball that can be used hot or cold for pain relief from headaches, arthritis, carpal tunnel, muscle stiffness, and more! The Thermal Ball also helps with hot flashes and can reduce the risk of heat stroke while sun bathing. 888 385-9058, www.medspadistributors.com or RR# 251

Natural Collagen's Moisturizing Day Cream is as exceptional in the world of cosmetology as it is natural, with biologically-active, fish-derived collagen. Using the natural collagen moisturizing day cream on a regular basis provides the skin with abundant hydration and rejuvenation. In addition, the moisturizer stimulates the skin's nutrients vital for its firmness and elasticity. 416-304-9809, www.naturecollagen.com or RR# 212

Rejuvi's Body Firming Mask contains dimethylaminoethanol – a dramatic firming substance and kinetin (plant growth factor) – a unique anti-aging ingredient that provides a remarkable body-firming effect. It also contains aloe vera, vitamin E, and retinyl palmitate for skin benefits. It is very helpful for diminishing stretch marks as well. 800-588-2279, www.rejuvilab.com or RR# 137
